Ai-Logix (an AudioCodes Company) Signs Representation Agreement with Accelerant Sales Group to Market Ai-Logix and AudioCodes Products in North America

Montville, NJ – (January 18, 2005)— Ai-Logix, an AudioCodes Company (Nasdaq: AUDC) has entered into an agreement with Accelerant Sales Group™ a leading New Jersey based Manufacturers' Representative.

Accelerant Sales Group will focus on marketing Ai Logix and AudioCodes full product set. Developers use Ai-Logix and AudioCodes' hardware and software worldwide to provide computer telephony solutions in the IVR, Outbound Dialer, VoIP and Call Recording Markets.

Ron Romanchik, Ai Logix's VP of Global Sales commented, "We chose to work with Accelerant mainly because they have over 24 years of computer telephony experience and share our vision for peerless service to our customers."

Joseph Roman, President of Accelerant stated, "It comes down to mutually agreeable goal attainment, Ai Logix and AudioCodes are leaders in circuit switched and IP based telephony technologies. We believe Accelerant has the skills and resources to be very successful selling for them."
